

### **Concept® ICC Profile Downloading Instructions**

1. Visit: [www.generalformulations.com](http://www.generalformulations.com)
2. Click on the “Concept ICC Profiles” seal, located on the left hand side of the webpage
3. A list of available profiled products will come up. Click on the desired product from the list (i.e. 201-Matte White PVC Perm)
4. A list of profiled printers will come up. Click on **Download** for the desired printer/rip combination
  - a. A window will pop up asking for a username and password. Contact your customer service rep for this information and enter it in the appropriate fields remembering that both username and password are case sensitive and should be entered in all lower case letters.
5. After username and password is entered, you will be able to click **Download** for any additional profiles without having to reenter your username and password
